OUTLANDER PHEV

GSR

Mitsubishi Outlander PHEV GSR has arrived, bringing new attitude to the range while still providing EV powertrain advantages. New to the range Bilstein performance enhancing suspension is tuned to provide superior ride, handling and stability. Combined with Mitsubishi's renowned Super All Wheel Control (S-AWC), PHEV twin motor 4WD with regenerative braking and 54km electric driving range, Outlander PHEV GSR offers an enhanced and efficient driving experience. Add to this practical yet premium features such as Mitsubishi Premium Sound System, power tailgate and heated front seats, and Outlander PHEV GSR is flexible and future-proof.
